## Genesis Comes Standard with the following options:

- Tuck tab riser covers with choice of Style or Stealth design
- Hard housings are a featured standard due to their reliability, even when wet
- Split leg straps and superior padding in the leg pads: this greatly reduces the discomfort of opening shock without adding extra bulk
- Mini 3 rings
- Complete bridle protection pocket
- Bottom of container deployment pouch
- Low profile cutaway handle
- Twenty-eight custom colors to choose from.
- Big Grab Toggles.
- Hook Knife.

Gear Package assembly not included For package orders please include the	, assembly option available below e necessary canopy, tracking suit and wing suit order forms for your package selection.
